The screenshot shows the home screen of the COVID-19 Testing app. At the top, there is a search bar with a magnifying glass icon and the text "Search items". Below the search bar is a "Scan QR Code" button. Underneath is the location "Columbia - Howard Country". A table with three columns: "Confirm #", "Patient", and "Date & Time" is displayed. The first row contains "Hedgehog00001", "Sonic Hedgehog", and "4/17/2020 10:00 AM". The status "Scheduled" is visible below the patient name. A red circle with the number "3" highlights the search bar and the table.

Confirm #	Patient	Date & Time
Hedgehog00001	Sonic Hedgehog	4/17/2020 10:00 AM

The screenshot shows the patient details page for Freddie Mercury. The patient's name "Freddie Mercury" and ID "Mercury00001" are at the top. Below are the date and time "4/18/2020 09:00", DOB "1/1/1975", location "Baltimore, MD", and phone number "Tel: 301-904-9930". There are fields for "Practitioner Name:", "Practitioner NPI:", and "Practitioner Fax:". A dropdown menu for "Status:" is set to "Checked-In". Below the status are two "Input text notes here" fields. A green "Submit" button is at the bottom. A red circle with the number "4" highlights the status dropdown.

The screenshot shows the patient details page for Freddie Mercury, identical to the previous one, but with the "Status:" dropdown menu updated to "Test Completed Success". A red circle with the number "4" highlights the status dropdown.
