

COVID-19 Post Acute Capacity: Tracking and Surveillance

Overview

This form serves as a central and consolidated daily reporting point for post-acute facilities to ensure efficiencies with capacity tracking and also to support mandatory state and federal public health surveillance activities. The form should take 5 minutes to complete each day after the first time submitting.

Accessibility and Reporting Window

This form is accessible through the **CRISP Unified Landing Page (ULP)**. Accessing the CRISP ULP will require login credentials. If you do not have access to the Unified Landing Page, please contact the CRISP Customer Care Team at 1.877.952.7477 or email support@crisphealth.org. If your organization does not have access to CRISP, please contact Bill Hokemeyer at william.hokemeyer@crisphealth.org.

This form is open between the hours of 12:00 a.m. and 11:00 a.m. EST. Please complete the form on a daily basis for the prior 24 hour window. The form will be inaccessible outside of the previously mentioned hours.

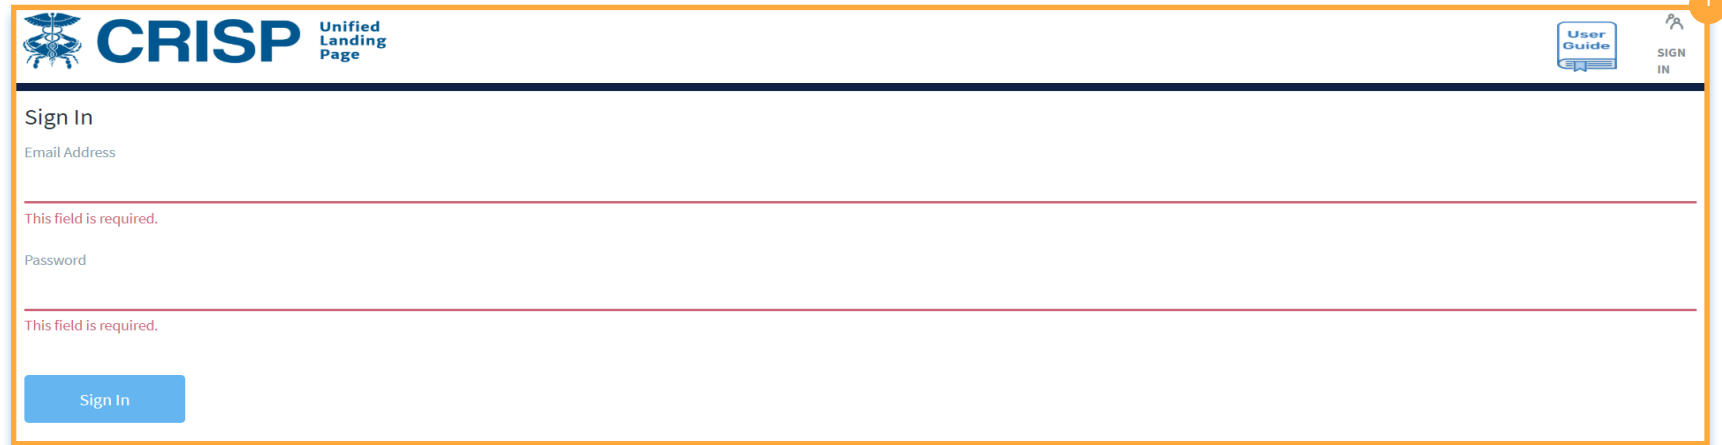

Please email support@crisphealth.org for any issues, suggestions or defects.

COVID-19 Post Acute Capacity Tracking and Surveillance

1 Log In

Log on to ulp.crisphealth.org then enter your login credentials. If you do not have login credentials, please contact the CRISP Customer Care Team at 1.877.952.7477 or email support@crisphealth.org.

The screenshot shows the CRISP Unified Landing Page. The header includes the CRISP logo, the text "Unified Landing Page", a "User Guide" link, and a "SIGN IN" link. The main content area is titled "Sign In" and contains two input fields: "Email Address" and "Password". Both fields have a red error message below them that reads "This field is required.". A blue "Sign In" button is located at the bottom of the form.

Please email support@crisphealth.org for any issues, suggestions or defects.

Usage Terms and Conditions

I understand that access to the health record is only available for patients with whom I have a treatment relationship and who have not opted out of the HIE, with the exception of data provided by the Maryland Prescription Drug Monitoring Program (PDMP), which is mandated by law.

I understand that as a participant in the HIE, our organization has a responsibility to make sure patients are aware, circumstances permitting, of their right to opt-out of non-PDMP clinical data prior to performing a query.

If I am authorized to access Maryland PDMP data through CRISP, I certify that I understand and will adhere to the regulations outlined in COMAR 10.47.07.

By performing a patient search I accept these terms and conditions.

Please email support@crisphealth.org for any issues, suggestions or defects.

COVID-19 Post Acute Capacity Tracking and Surveillance Walkthrough

Locate your facility by entering your facility's Medicare Provider Number or by searching for the facility by name, address, county, city, or zip.

3 Facility Access

3a: Enter Medicare Provider Number here and click Submit.

3b: If the system is unable to find your facility using your Medicare Provider Number, navigate use the "Search" functionality at the top of the screen.

The screenshot shows the CRISP Post-Acute Capacity Form interface. At the top left is the CRISP logo and the text "CRISP Post-Acute Capacity Form". At the top right are "Home" and "Search" links, with a callout box labeled "3b" around the "Search" link. The main content area features the word "Welcome" in a large font, followed by the instruction: "Enter your facility's Medicare Provider Number below to get started, or [search](#) to find your facility." Below this is a text input field labeled "Medicare Provider Number" with a callout box labeled "3a" around it. Underneath the input field is a note: "Note: form responses are only accepted between 12AM and 11AM eastern time." At the bottom center is a dark "Submit" button.

4 Facility Search

4a: To search your facility, enter your facility's six-digit Medicare Provider Number, name, address, city, county, or zip then click the "Search" button.

4b: Locate your facility on the list of possible options then then click "Select" on the appropriate line.

Completing the Form Contact Information

5. Once you've located your facility, the page will redirect to the form where all of your facility's information should autopopulate at the top of the screen. Review the facility details to ensure you have selected the appropriate facility. If the information is inaccurate, click the "Search" button at the top of the screen to repeat your search

5a. To begin completing the form, enter your contact information. This is someone a hospital or health department could reach out to for questions or additional information. These fields will prepopulate after the first time they are entered.

5b. These fields will prepopulate after the first time they are entered.

The screenshot shows a web form for facility information. At the top, a table displays pre-populated data for a facility. Below the table is a confirmation message. Further down, there are four input fields for contact information, with callouts 5a and 5b pointing to them.

Medicare Number	123456
Name	TEST FACILITY FOR TRAINING VIDEO
Phone	301-555-5555
Address	123 Main Street
City	Columbia
Zip	21046

Please confirm the facility information above is correct before proceeding. If not, please navigate back to the home page.
Note: the content of this form may change as state and federal reporting requirements evolve.

Contact Name:

Contact Phone:

Start contact at your facility for questions about your capacity

NHSP Facility ID (register [here](#)):

CMS Certification Number (CCN):

6 Completing the Form Resident Information

Once you've entered your contact information, you must complete the "Resident Information" section:

6a. If you answer "yes" to the "accepting residents" question, a follow up question regarding COVID positive residents will automatically appear.

When completing this section, please note:

6b. The sum of COVID+, Non-COVID, and suspected COVID should equal your facility's census.

6c. Enter whole numbers. Click the blue hyperlink to review CDC guidelines prior to submitting your response.

Resident information

Are you accepting residents today?

No

6a

COVID+ residents **occupying** a bed in each of the following:

Private room

0

Semi-private room - two to a room

0

Semi-private room - three to a room

0

Semi-private room - four to a room

0

Residents with pending COVID tests **occupying** a bed in each of the following:

Private room

0

Semi-private room - two to a room

0

Semi-private room - three to a room

0

Semi-private room - four to a room

0

Number of residents who met criteria for **discontinuation of transmission-based precautions** in the last 24 hours:

6c

Non-COVID+ residents **occupying** a bed in each of the following:

Private room

0

Semi-private room - two to a room

0

Semi-private room - three to a room

0

Semi-private room - four to a room

0

6b

Beds that are vacant, available, and staffed in each of the following:

Private room

0

Semi-private room - two to a room

0

Semi-private room - three to a room

0

Semi-private room - four to a room

0

7 Completing the Form Hospitalizations from your facility

To ensure you've properly completed the "Hospitalizations from your facility" section, please note that the sum of the three fields should equal the total hospitalizations for your facility from the last 24 hours.

COVID+

Non-COVID

COVID+

Non-COVID

Transferred to the hospital in the last 24 hours:

COVID+

Severe Respiratory Symptoms (COVID Suspected)

Non-COVID

Resident deaths in the last 24 hours (in your facility or another location):

COVID+

Non-COVID

Awaiting COVID test results (COVID-suspected)

Staff and Personnel

These questions are not mutually exclusive and a single individual may fall into multiple categories within a 24-hour period.

Number of staff with positive COVID-19 test results (positive test results within last 24 hours):

Number of staff and facility personnel with new-onset respiratory symptoms (COVID-19 suspected) within last 24 hours:

Number of staff with suspected or laboratory-positive COVID-19 resulting in hospitalization (hospitalized in last 24 hours because of respiratory symptoms, regardless of COVID status):

Number of staff with suspected or laboratory-positive COVID-19 resulting in death in the last 24 hours:

Please indicate if your facility has a shortage of staff and/or personnel for any of the following groups. Please select all that apply.

- Nursing staff:** registered nurse, licensed practical nurse, vocational nurse
- Clinical staff:** physician, physician assistant, advanced practice nurse
- Aide:** certified nursing assistant, nurse aide, medication aide, and medication technician
- Other staff or facility personnel:** regardless of clinical responsibility or resident contact not included in the categories above (for example, environmental services)

COVID-19 Post Acute Capacity Tracking and Surveillance Walkthrough

8 Completing the Form: Capacity information

When entering your facility's "Capacity" information make sure that you:

8. Click the blue hyperlink for the CDC's PPE Burn Rate Calculator

8a. If you select "yes" to the ventilator dependent question, additional questions will automatically populate.

8b. Enter any additional questions or comments here

8c. Click "Submit" once you've entered all requested information into the fields provided.

The form is now complete. Please access the form again the following data to enter new information from the previous 24 hour timeframe.

Please indicate if your facility offers the following clinical capabilities, even if you do not have availability today:

Hemodialysis	Dementia Unit
<input type="text" value="No"/>	<input type="text" value="No"/>
Substance Use Treatment	Bariatric Unit
<input type="text" value="No"/>	<input type="text" value="Yes"/>

How long do you anticipate that the PPE you have on hand will last? Refer to the CDC's PPE Burn Rate Calculator.

N95 respirators:	Face masks:	
<input type="text" value="1-3 days"/>	<input type="text" value="1-3 days"/>	
Face shields:	Gowns:	Gloves:
<input type="text" value="1-3 days"/>	<input type="text" value="4-14 days"/>	<input type="text" value="4-14 days"/>

Do you have a ventilator-dependent unit in your facility?

Total number of mechanical ventilators in your facility:	Mechanical ventilators in use for residents who have suspected or lab-confirmed COVID-19:
<input type="text"/>	<input type="text"/>
Do you currently have any ventilator supplies (any, including tubing)?	Do you currently have enough ventilator supplies for the next week (any, including tubing)?
<input type="text" value="No"/>	<input type="text" value="No"/>

Facility Comments

Please provide any additional details or limitations about facility services (such as bariatric weight limits etc).
