Accounting of Disclosure Request Form

CRISP Shared Services (CSS), on behalf of its health information exchange (HIE) members, offers patients the opportunity to request an accounting of disclosures of their medical records contained within the CSS database. This request, which may be made twice a year free of charge, will inform you which healthcare providers, if any, have accessed your medical records through the HIE. Upon receipt of your completed request, CSS will begin to process your accounting of disclosures report. Please note that, if you are requesting an accounting of disclosures on behalf of someone else, such as a minor child, CSS staff may contact you regarding any additional documentation that may be needed to complete your request. A request is considered complete once CSS has received all of the information necessary to process the request. If you provide us with your e-mail address in the form below, you will receive an e-mail acknowledgment of receipt of your completed request.

The results of your accounting of disclosures request will be sent to you within 30 days of receipt of your *completed* request. If you request to receive your accounting of disclosures report via e-mail, and more than 30 days pass without receiving your report, please check your spam/junk folder.

Records of disclosures date back at least 6 years from the date of the requested accounting.

Instructions:

In order to submit your request, please complete the second page of this form. You **must** also include a scanned/photographed copy of your government-issued photo ID (e.g., driver's license, passport, identification card).
